

## FI-E38(G) High End Performance Schuko Connector

---

### RATING

---

16A 250V AC

### FEATURES

---

#### NEW PRODUCT 2014

- 24k Gold-plated conductors  $\alpha$  (Alpha) pure-copper
- Earth (Ground) Jumper System (US Patent No.: 6,669,491)
- Nylon/fiberglass body incorporating carbon particles that absorb vibration and resonance
- Specified for cable diameters from 6.6mm to 17.5mm
- Dimensions: FI-E38(G)—39.6mm diameter x 90.5mm overall length
- Metal cable clamp improves grip and reduces mechanically and electrically induced distortion
