

# HDMI™ Switch | 5-Port | 4x HDMI™ Input | 1x HDMI™ Output | 1080p | 3.4 Gbps | ABS | Black

## General information

Connect five full HD HDMI™ sources to a single screen with this five-port 1080p HDMI™ switch. It enables you to switch between five connected devices without having to constantly connect and disconnect them.

## Features

- Supports Ultra HD 1080p @ 60 Hz and 3D
- Connects up to five full HD HDMI™ source devices to a single screen
- Switch operation manually
- Amplifies the digital video signal

## Specifications

|                                      |  |
|--------------------------------------|--|
| Colour:                              | Black  |
| Maximum resolution:                  | 1080p  |
| Aspect ratio:                        | 16:9   |
| Resolution standard:                 | Full HD  |
| Supported resolutions:               | 720p / 1080P / 480i / 480P / 576i / 576p / 1080i |
| Input current:                       | 1.0 A  |
| Power source type:                   | Mains Powered                                    |
| Input voltage:                       | 5 V DC   |
| Power consumption in operating mode: | 5.0 W  |
| Supported technology:                | Full HD / 1080p                                  |
| Clock frequency:                     | 340 MHz  |
| Maximum bandwidth:                   | 3.4 Gbps   |
| Colour formats:                      | RGB / 8 Bit Deep Colour                          |
| Device type:                         | HDMI™ Switch                                     |
| Connection output:                   | 1x HDMI™ Output                                  |
| Connection input:                    | 4x HDMI™ Input                                   |
| Remote controlled:                   | No   |
| Ports:                               | 5-Port   |
| Power adapter cable length:          | 0.5 m  |
| Depth:                               | 55.0 mm  |
| Height:                              | 15.0 mm  |
| Width:                               | 80.0 mm  |
